THE VILLAGE VOICE

November Fall Colors Country Roads of Southern Illinois and Bald Knob Cross Trip

We had a lovely trip driving through rolling hills and winding roads of Illinois. The Fall colors and views were so lovely. We had a special picnic lunch at the Bald Knob Cross.

Tammy Talk

Merry Christmas

Baby its cold outside! But, I love it! I have a love for each part of each season. Summer for the pool and the beach, Fall for the fallen leaves and sweater weather, Winter for the cuddle and hibernation of it and Spring for mother nature stocking mother earth with all that is new. With the colder temps you can always put on more clothes to get comfy. With hotter weather, there is only so much you can take off before its called indecent! ha ha ha

So let's get ready for some HO-HO-HO!! I do hope a lot of you will come to the Staff/Resident Christmas Party on December the 15th. We are planning a pretty cool party. We will have some wonderful food, games and music. WE decided to have our party with our favorite people this year! OUR RESIDENTS! Let's get ready to make some memories! We will be playing the dirty Santa game so be sure to bring a gift valued between \$1 to \$5 to play with and if you want to bring a dessert you may but its not required. Be sure to call the office to sign up. We hope to see you there!

I really can't believe that 2021 is almost over with, and so fast it seems? We have lost some pretty awesome people just in the last year. Lets please continue to pray for the families of the most recent neighbors we have lost. They will be very missed. Good birthdays were had as well! Doris Marks partied for a whole two weeks I think! Janet Austin Green had one as well as Donna Mosley just to name a few!

I hope that everyone has a very Happy Holiday and a very Happy New Year!

Executive Director

Neighborhood Watch

The holiday season is upon us, so it is
important that we all take the proper
safety precautions. Do not leave your
car doors unlocked.

Make sure that your carport, front and back porch
lights are on. This does not really add anything to
your light bill if that is a concern. The brighter the
area the less likely someone will do anything
If there is trouble call 911 first, then call the
Westminster Security.

When you get out of your car at night look at your
surroundings. If you don't feel safe you can call
security and they will escort you in your home.
If you see anyone that you know doesn't belong
here, call security.

Neighborhood Watch is always watching.
