### Senior Olympics Awards Ceremony

# THE VILLAGE VOICE

## Tammy Talk

WHEW!! What a month we had in May! A very busy month but a fun one to say the least. The Senior Olympic Games were even better than the first one we had last fall! I think we all had fun and, I know for sure that the Nerf Battle was the most fun. I told my brother and he was so happy that you all enjoyed it. He will be very happy to come back again. He really enjoyed you all! Our closing ceremony/awards lunch could not be beat! I do hope that if you did not participate this season that you will in the fall. We plan to do this every spring and fall until we get tired of it! Please consider joining us all in the fall. It's a bunch of fun and the fellowship is amazing! Lots of good laughs as well!

If you had not noticed before now, we have tree issues. A lot of them. I do have a tree service hired and they are getting to the most dangerous ones first. If you have a tree, please be patient, as there are a lot of them. It would help however if you could call the office and let us know if you have one that loses branches all the time. We are getting to them as quickly as we can.

Please, let's try and remember a few things for this summer. Keeping objects in your yards makes it very difficult for the lawn crew to get around. It slows them down. Please try to keep your yard décor in your flower beds where the lawn crew ARE NOT ALLOWED. If you have not received a copy of the pool rules, we can provide that for you at the office. They are posted at the pool.

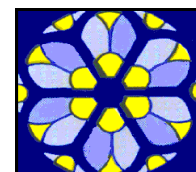

We will see weeds. The mowing will have to be often. I was urged when coming here that we stop the weed control because it was thought to be too high a waste of money. We are now seeing how important it really was. I am getting a bid on weed control and we can go from there. Without it, the weeds will grow so quick it will look like they didn't mow a thing.

My employee spot light this month goes to two very special people. Margie DeFries. Margie is a housekeeper here. You will not find a more honest, loving and caring, hard working, dedicated, devoted person than Margie. I have known Margie all of my life. She is a first cousin to my mother, God rest her soul, who passed away in October of 2003. Margie and I became very close after that. I'm very thankful for her in many many ways. The next person is Julia Dominguez. She is also a housekeeper and I have known Julia for many years. She is very sweet, honest, empathetic, hard working and has probably the biggest family of anyone I have ever known! Julia is also very dedicated to her job here at Westminster Village. I've always enjoyed spending time with both of these ladies. You can bet when you have these two ladies working in your home, it is done right with the utmost respect and integrity.

Remember that if you see a Westminster Village employee going above and beyond their normal work, make sure to report them to the office. If you would like more information on our EXTRAORDINARY IMPRESSIONS program, we will be happy to fill you in.

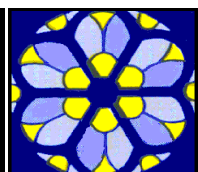

Come on June! We are ready for you! Have a great month!

Tammy Swanson,  
Executive Director

Lets plan a 2 night September trip to St Louis, Missouri. We could go the Zoo, go to the Arch, go smell the beer at Anheuser-Busch Brewery, go to Cahokia Mounds at Collinsville, Illinois the site of a pre-Columbian Native American city situated

directly across the Mississippi River from modern St. Louis, Missouri, The Basilica of Saint Louis, King of France, formerly the Cathedral of Saint Louis, and colloquially the Old Cathedral, was the first cathedral west of the Mississippi River and until 1845 the only parish church in the city of St. Louis, Missouri. We could also see what's playing at the Dinner Theatres. There are so many things we could do on this trip that everyone would enjoy. Especially eating and sightseeing.

Sign up if you are interested in helping plan this trip in September. We will strive to have a economical budget.

This is an idea. Lets plan this trip. Sign Up to make plans.
