

THE VILLAGE VOICE

It is with great sadness that I’m writing this message. Due to health issues, I have decided to retire and move in with my brother near Bolivar, Tennessee. I have enjoyed being a part of the Westminster Village family, both as a resident and as an employee. I feel that I have made many friends during my time here, and I will miss everyone. I pray that each one of you has good health, and continues to enjoy your stay here. I’m only a phone call away, so please feel free to contact me. I will continue to post on Facebook.

Don’t forget, there is still Silver Sneakers on Mondays and Thursdays, the White Elephant is open on Fridays and Saturdays, and the Craft Hut/ Woodworking shop and the Heard Marks Library are available for you to enjoy!

With much love,
Eva

THE VILLAGE VOICE

Tammy Talk

Welcome to the Westminster Village calendar! Here you will find all the important information and dates of what’s going on at Westminster Village.

We are going through a few changes at Westminster Village. As per the September Newsletter, we told you that we miss you. And we do, but we have no choice at this time but to **PAUSE** all of the Activities and Events that we usually have planned. Not forever! Just until we can get some more friends and neighbors moved in with us. Low attendance or none at all has forced us there. We have lost so many active members in the last couple years that financially, there is more money being spent on the activity to only have a few show up. We tried very hard with the sign up show up and even after that we would have to cancel the event due to no sign ups.

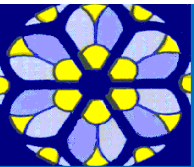

We will however have one monthly get together for our small group and go places, like the movies in Jonesboro or to the Ritz here in town or maybe some light shopping here or in Dyersburg. We still have a 15 passenger bus that needs to be used!

Included in our pause will be the following:

- Pantry
- Transportation services
- Free bagged ice
- Beauty Shop

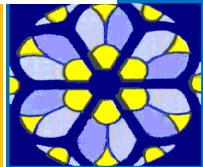

Again, when our census has increased, we will look at bringing these things back again. Our dear Eva is leaving us. I do not plan to replace her at this time. Those of us in the office will take turns taking care of you when we do have an event. Eva has been amazing at her job of Resident Services Coordinator. I could not have asked for a kinder, logical, sweet, and all around beautiful person to head up this department. You all mean so much to her and it shows. She would put so much detail into an event for you and it would just amaze me! Her cookin’ ain’t half bad either! Lol Eva please know that you will always have a friend in me and will always have a special place in my heart! I honestly don’t know what I’ll do without my lovely ERVA! Please do not listen to any rumors you are hearing. If someone tells you something, please call me and ask. Westminster Village IS NOT CLOSING. We are re-inventing.

Executive Director,
Tammy Swanson
