

VILLAGE VOICE

Grinchmas Christmas Party! So much fun. Music, singing, dancing, food door prizes. What more is there for a party.? Oh yeah! Friends.

Two Grinches showed up and did a dance off. Cindy Lou Who came to see everyone. Residents and Staff showed up for a total of 57. Resident favorites Tammy and Jennifer sang.

Veteran's Karaoke night. So much fun! Veteran's Cleo Massey, Gary Guttridge, Tim Jones, Elvis Williams, Merrill and Nancy Frame attended.

We thank all Veteran's for their service.

The Blytheville Parade. Staff volunteered to create the float and participate in the parade. Wild, Wild, Westminster Village. Residents participated by riding the bus in the parade.

Happy New Year! 2024 is not a number I could have ever imagined as a child. It's just hard to imagine that you will one day live in the millennium, and here we are 24 years into it. We aren't flying cars around like they did on the Jetson's, and we don't have literal robots walking around like Rosie, but we do have technology. You can now walk in to any room and ask Alexa or Google to turn something off or on for you. You can ask them to play music, pull up a recipe and even video call someone. That is something we did see on the Jetson's!
So much has changed in the past year. We all have had some loss this year. I still can't believe that Doris Marks no longer lives here! None of us had a clue that the year would end the way it did. I'm glad we can call her anytime that we want to, and we can always plan a girls trip to go see her, but I miss her! It is an absolute pleasure to know her and the lives that she has touched are plenty! We will be sending her the newsletter monthly so she can keep up with everyone here. Let us take a moment to remember those we have lost in the last year. Please keep their friends and families in your prayers.

Never let what can be said today wait until tomorrow. We may not have tomorrow.

Moving forward, we are very excited about getting this grant going and getting rid of the blight around your homes. The Board has worked very hard to hire a consultant to run the demo, so that we can still focus on your needs as we go. We still do not have a definite start date but when we do we will for sure let you know. We have also received a grant from the King Foundation in the amount of \$40,000 to help with the restoration of the Ramey Center roof, and repair the leaks that have started. The Ramey Center is a vital part of the village and we will not let it fall. We are doing our very best to preserve as much as we can to keep the Village going strong. We are all hopeful for a great New Year!

I can't let the month pass by without commenting on how great everyone looked at the Resident/Staff Christmas party. I appreciate all that attended. Happy New Year and God Bless you all!

Our Mission Statement

Westminster Village is committed to providing an environment that encourages and enables our residents to enjoy life to the maximum of their capabilities in a relaxed atmosphere of security, comfort and dignity.

The Westminster Village Book Club

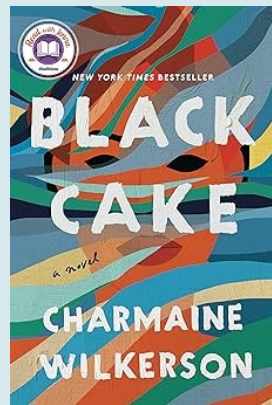

The Westminster Village Book Club

will meet Wednesday, January 10th at 2 p.m. in the Doris Marks Library

The book to be discussed will be: **“Black Cake”**

By Charmane Wilkerson

All are welcome to attend.

HAPPY NEW YEAR!!

In my opinion covid caused us to lose sight of why Westminster Village was established. Westminster Village was established in an effort to help seniors be independent for longer. I have done the research regarding statistics in older adults. Statistics show that people who stay active physically and socially are able to stay independent longer. To have friends to support your many challenges in life eases the stress that many of you may be under. Many of you wouldn't be as active if we didn't plan activities and events. You can do more than just rent at Westminster Village. The staff have jumped in to help reinvent Resident Services. *Hee Haw* was a hoot. I enjoyed the resident participation. The sip and paints are so much fun. Again, the resident participation is what makes it fun. The Veteran's Karaoke and Dance night was touching and entertaining. Lots of talent was discovered. Several residents made their debut in singing. If I'm honest my favorite was the "Halls of Montezuma" sung by Tim Jones. Every branch of service was recognized. We had Tim Jones from Marines, Cleo Massey from Army, Gary Guttridge from Air Force, Elvis Williams from Army and Merrill and Nancy Frame from Navy. We thank them all for their service to our country as well as those veterans who chose not to attend. We will continue to schedule activities and events in an effort to make your time here at Westminster Village memorable and pleasurable. Happy Happy New Year! 2024

Administrative Director

The Fannie Ruth White Elephant is open on Fridays and Saturdays from 10-3. All proceeds from the sales go into the white elephant fund. Every December the funds are split. Half goes to the resident funds and half goes to the employees for Christmas bonuses. The Advisory Committee votes on how to use the resident funds. On behalf of the staff and residents of Westminster Village we thank you all for your support and donations.

The White Elephant can always use volunteers to help sort donations.

Please remember to disconnect your outside water hoses and set your inside faucets to drip when temperatures are 25 degrees or below. You can also open your kitchen and bathroom sink cabinets to help prevent freezing.

We try to send out one calls when we are aware of potential cold weather just in case you miss it.

Faith In Action offers the following services: Light Housekeeping - Respite Care - Local Transportation - Letter Writing - Telephone Reassurance. If you need a ride you must have an application on file and give 24-hour notice. Please call 532-1501 for more information.

Each of you have your reasons for coming to Westminster Village to live. Some came for the socialization, some because they no longer want to do yard work or repairs on their homes, some for the safety of security. Whatever reason you came to be with us, we are happy you are a part of the Westminster Village family. Some of you may have landed here in our little community to strictly rent a home. We sometimes ask the question, what is the purpose of an independent retirement community? Here's some thoughts.

Independent living is a residential option for seniors who don't need assistance with daily living but want support, amenities and socialization. Independent living communities offer access to amenities and activities that can improve quality of life, increased social support, and peace of mind. Lets address these options.

Socialization: Independent living communities provide opportunities for seniors to socialize with others and participate in group activities. (Westminster Village offers a lot.) For those who don't want to participate or for those who are timid about participating or for those who just really don't know what we offer. Make sure you peruse your monthly calendar which comes out in your monthly newsletter. There are events scheduled at the Ramey Center. There are trips planned off site. There are what we call resident driven events. On Friday's residents get together and play dominoes. Residents get together and dance. The gym in the Ramey Center has exercise equipment as well as toning tables and the opportunity to work out as a group on Mondays and Thursdays. The craft hut is available daily or you can join a group every other Thursday. You have a key that fits the Ramey Center and the Library so you can go any time. There is opportunity to volunteer for different activities. The White Elephant needs people to sort donations and work the days it is open. The swimming pool is open during the summer months and the same key that fits the Ramey Center and library fits the pool door.

Safety: Independent living communities are designed to be safe and secure, with features such as 24-hour security. (Westminster Village offers security.) Residents can sleep more peacefully knowing that someone is patrolling the property to keep them as safe as possible. We also rely on security for minor maintenance after hours.

Maintenance-free living: Independent living communities take care of maintenance and repairs, freeing up time for seniors to enjoy their hobbies and interests. (Westminster Village offers maintenance free living.) If you have a maintenance issue, call the office. A work order will be created and turned over to maintenance. Westminster Village hires someone to mow your lawns. For those who still want to do a little yard work, you get to take care of your flower beds. The lawn crew won't touch them.

Improved quality of life: Independent living communities offer a range of amenities and activities that can improve seniors' quality of life, such as exercise, swimming pools, and community events. (Westminster Village offers that and more.) Friendship is what ends up mattering the most. When you get to know your neighbors through activities and events your life is enhanced and enriched in ways that staying to yourself doesn't. If you haven't already, consider joining in.

Westminster Village's Mission Statement

Westminster Village is committed to providing an environment that encourages and enables our residents to enjoy life to the maximum of their capabilities in a relaxed atmosphere of security, comfort and dignity. (The staff of Westminster Village makes every effort to provide residents with a full calendar with variety. The staff looks out for you in ways you may never see.)

Marketing News

Another Christmas has come and gone. I have the best memories of so many magical Christmases. Driving around the neighborhood to look at the lights, the card making, the baking, the church services, the trip to the Enchanted Forest at Goldsmith's in downtown Memphis, the handmade ornaments, the boxes of icicles...the magic all came from the women in my life - my Mom and my Grandmother.

I never saw my Grandmother without an apron. Whatever she was doing – from frying up a chicken for Sunday dinner after church to making her famous homemade cherry and coconut meringue pies – she was wearing an apron. She made a miniature apron to match one of her favorite aprons for me to wear. I stood on a chair and wore the apron with pride as I helped her roll out the crust for one of her pies. I was only about four or five years old and I asked her if I could have all of her aprons when she died. She said I was being sassy and I got in trouble. She said children were not supposed to talk about people dying.

A few years later I was helping in the kitchen and she was teaching me how to can green beans right out of the garden with a pressure cooker. I was able by that time to wear one of her aprons tied around me a couple of times. I tried again to ask about her aprons – but I took a little different approach. I asked her if I could have all of her aprons “when she was finished with them”. She laughed and told me she would let me know when she was finished.

My dear grandmother was in the hospital right before Christmas on her 90th birthday. She came home and passed away a few weeks later. A few months at her home and I found a box with my name on it with the things she had for me to keep. It had some broaches and items that she knew I treasured – along with several of her aprons. She had made all of these aprons herself and some of them were worn and the threads were frayed. In the bottom of the box was my favorite apron, her Christmas apron with poinsettias on the pockets. I put the box away and pulled the apron out right before that first Christmas without her. I put it on Christmas as I got ready to serve my best efforts of a meal including a dry turkey, scorched dinner rolls and the salad that I forgot to take out of the fridge. I reached for a tissue to dry up my tears and put the tissue in the pocket of the apron. As I reached in the pocket I found a handwritten note with familiar writing. It said “I am so very proud of you and I love you! I am finished with the apron now.” – Momma. She knew I would have out her Christmas apron and reached out to me as best she could.

She left a forever stamp on my heart that still makes the holidays feel like the most wonderful time of the year. I am thankful for her adding that special ingredient of magic during the holidays that continues all year long.

Accounting News

I hope everyone had a wonderful Christmas holiday, Never hesitate to call me if you have a question or concern. If I can't answer or help you I will definitely get someone who can. I am always glad to hear from you all. Sometimes a phone call is the only way I get to know some of you.

The 11/12 Program is still available to our Westminster Village residents. Prepay your rent for 11 months and the 12th month is FREE. This is a great deal. Remember your monthly statements are emailed unless you contact the office and ask for yours to continue to be mailed. Just ask for accounting.

If you are tired of writing those rent checks we can set you up on direct deposit which allows your rent to come out automatically each month. Sign up at the office by bringing in a voided check and we will give you a form to fill out. It's just that easy.

Have a wonderful 2024.

Angela Hollins, Accounting Director

Don't forget about the 11/12 program. Earn more interest than you can get from the bank! Call the accounting office for more information about this program.

Environmental Services News

Greetings to all. Cold weather is setting in. Please make sure water hoses are disconnected from your outdoor faucets. When the temperatures dip below freezing leave your water dripping and your kitchen cabinet doors open to prevent water lines from freezing.

We want to do our best to serve you and part of that best is to minimize needed maintenance in your homes.

Please remember the plumbing lines at Westminster Village were installed prior to the use of garbage disposals, which affects how efficiently they are able to carry away waste. Please do not put items such as: pasta, orange rinds, melon rinds, red meats, coffee grounds, greens (lettuce, cabbage, cilantro etc.) or potato skins down your garbage disposal as these items cannot be chopped up enough to go smoothly through our plumbing lines and cause your kitchen sink to stop up. This includes any type of animal fat or cooking grease.

We change filters as we do preventative maintenance one street at a time. If you would prefer changing the filter yourself please pick up an orange flyer from the administrative office that states, “Please do not change filter” and attach it to your kitchen door.

Thank you all for your patience and cooperation with all maintenance needs.

Happy New Year!

Happy New Year! 2023 is over!!! We are going to keep active in 2024! The Westminster Village Newsletter hit a Milestone with Volume 300 this month after 27 years of WMV newsletters.

Interaction is important and uplifting to the spirit when we all have to deal with getting older every year. We all must be thoughtful about our individual safety and the care of those around us. So I have planned activities accordingly. We are having two Wednesday Lunches the 10th and 17th and a Thursday morning Bingo Breakfast on the 25th in the Ramey Center and a couple of out of town lunches in January, Benny Bobs on Friday the 19th and the Sandbar Grill on Wednesday the 24th.

You must sign up for all activities you plan to attend by calling the front desk, except Exercises on Monday and Thursdays and 10 AM Thursday Coffee. When ever it says Sign Up! Look over the calendar of activities and sign up by calling the front desk.

2024 will be the start of my fifteenth year here at Westminster Village.

If you have not been to the BAFB Exhibition it is a nice get away to see the Base of the past. It is located near the Base Control Tower. Somewhere to go on your own just to get out. It is open Fridays and Saturdays 10 to 4.

God Bless You and Westminster Village in 2024.

It has been brought to the attention of management that residents are a little confused about the maintenance price list. The price list has been around for years. It has been in the resident handbook for years. It isn't anything new. The maintenance list identifies things that residents may need or want but doesn't fall into the regular maintenance for upkeep category. We've been told that residents are not calling in work orders because they are afraid they will be charged. Some are just going with things not repaired while others are hiring the work done. The maintenance list in no way replaces regularly needed repairs to homes. We urge residents to call the office with maintenance needs. We want you to be comfortable in your home. If you believe there is a chance that what you are asking for is a charge, we can clarify this for you.

Example: The resident has a ceiling fan, but wants a different one; the resident will purchase the new ceiling fan and pay for maintenance to install it. It is understood that the ceiling fan will stay in the apartment when the resident leaves.

Example: The resident has a ceiling fan but the ceiling fan stops working. This is a regular work order with no charge.
